Re: *Composition of SMS/800, Inc.*, WC Docket No. 12-260
Toll Free Service Access Codes, CC Docket No. 95-155

Dear Ms. Dortch:

On August 13, 2013, Gina Perini of SMS/800, Inc., Ann Berkowitz of Verizon, and I met with Nicholas Degani of Commissioner Pai's office to discuss certain issues related to the SMS/800 Inc.'s Petition To Change the Composition of SMS/800, Inc. (the "Petition"), filed in the above-captioned dockets on September 13, 2012.

During the meeting, we discussed the historical context in which the Petition was filed and why a § 214 filing would be an appropriate mechanism for transfer of responsibility for the SMS/800 tariff from the BOCs to SMS/800, Inc. In particular, we discussed whether a § 214 filing was required to effectuate such a transfer, or whether the Commission could, in the context of an order granting the Petition, authorize the transfer.

One original and two copies of this letter are being submitted to you in compliance with 47 C.F.R. § 1.1206(a)(2) to be included in the record of these proceedings. If you have any questions concerning this matter, please contact me at (202) 326-7921.

Sincerely,
